

Partnership for Los Angeles Schools Governance Philosophy

The board establishes policy on the corporation's mission, goals and operations. The board reviews staff recommendations and decides which policies should be implemented in light of the corporation's mission and goals. The board monitors the implementation of its policies.

The corporation's officers and staff are responsible for the details of policy implementation and the day-to-day operations of the corporation. The staff reports to the CEO of the corporation, and the CEO reports to the board.

Nothing in this statement of governance philosophy limits the legal duties, rights, responsibilities or authority of a board member. No action of the board is subject to challenge on the basis of this statement of governance philosophy.
