The Partnership for Los Angeles Schools is a unique collaboration between the City of Los Angeles and the Los Angeles Unified School District to turnaround LA's lowest performing schools and to create a model for doing so district wide. Today it is one of the largest public school turnaround projects in the nation, serving nearly 17,000 students across 22 schools, including Carver Middle School, Gompers Middle School, Hollenbeck Middle School, Jordan High School, Markham Middle School, Roosevelt Small High Schools, Santee Education Complex, and Stevenson Middle School.

The Partnership for Los Angeles Schools is seeking Highly-Qualified (NCLB compliant) secondary master teachers to provide additional instructional support at our schools. A valid California Teaching Credential is required and we are particularly interested in teachers who are credentialed in math and English. Selected teachers will be working at Middle and High schools located within in the Partnership. For more information about the Partnership, please see our website at partnershipla.org. Compensation will be at the daily long-term substitute rate of \$38.00/hour. This is a day-to-day position and all employees are at will. To apply, please submit a resume and cover letter to employment@partnershipla.org.
